

PRODUCT INFORMATION SHEET

These items were imported by: -
Just 1 Source & Supply Limited, Barton Hill, Whitwell, York. YO60 7JX Telephone: 01653
617718 - www.just1source.com

These items comply with the requirements of the EU Regulation 2016/425 & Regulation 2016/425 on personal protective equipment, as amended to apply in GB, in line with the technical harmonised and designated standard(s) referenced below.

NOTE: - Declarations of Conformity can be found at www.just1source.com

Limitations of use:

EN 388:2016 + A1:2018, EN ISO 21420:2020; EN511:2006; EN407:2020 - The overall classification of gloves with two or more layers does not necessarily reflect the performance of the outermost layer. Gloves should not be worn when there is a risk of entanglement by moving parts or machinery. Information can be obtained on the maximum permissible user exposure, e.g. temperature, duration. Annex B may be used as a help

The EN 388 test results shown below are taken from the palm area of the glove.

EN 388:2016 + A1:2018
