

PRODUCT INFORMATION SHEET

These items were imported by: -

Just 1 Source & Supply Limited, Barton Hill, Whitwell, York. YO60 7JX Telephone: 01653 617718 - www.just1source.com

These items comply with the requirements of the EU Regulation 2016/425 & Regulation 2016/425 on personal protective equipment, as amended to apply in GB, in line with the harmonised and designated standard(s) referenced below.

NOTE: - Declarations of Conformity can be found at www.just1source.com

Limitations of use:

EN 388:2016, EN 511:2006, EN 420:2003 + A1:2009 - The overall classification of gloves with two or more layers does not necessarily reflect the performance of the outermost layer. Gloves should not be worn when there is a risk of entanglement by moving parts or machinery.

The gloves protect part of the hand only.

The EN 388 test results shown below are taken from the palm area of the glove.

NOTE: Due to the nature of this product the user is advised to carry out their own risk assessment depending on application

> Temperature durations can be found under Annex B of the EN511 standard. These gloves may lose their insulative properties when wet.

EN 388:2016

Test Performance Level		Test	Performance Level	
EN 388:2016		EN511:2006		
Abrasion	2 (Scale 1-4)	Resistance to Convective Cold	X (Scale 0-4)	
Blade Cut (Coup Test)	2 (Scale 1-5)		, ,

Performance levels are measured where the highest number indicates the best protection.

Product Code: -Size: 7 - 11

Product Name: -Watersafe Baltic

Product Description: -15g Polyester Outer Liner plus 7g Acrylic Loop Inner Liner, Double Coated Latex

Gloves providing protection against mechanical risks and protection against cold.

Maintenance: examine gloves for damages, splits, and holes before each use. Always replace damaged gloves.

Disposal – Dispose of used gloves as instructed by your local authority.

WARNING: This product contains natural rubber latex which could cause anaphylactic responses

STORAGE: Store in dry ambient conditions AFTERCARE: No Cleaning Treatment

[&]quot;X" indicates that the product has not been tested against this risk.
