## Specifications

<b>Code:</b> TW-SL14	<b>Pack Size:</b> 20 sleeves
<b>Liner:</b> Twaron®	<b>Case Size:</b> 100 sleeves
<b>Gauge:</b> 13	<b>EN388:</b> 1X4XC
<b>Size:</b> 14"	<b>EN407:</b> X1XXXX

## Suggested Applications

- Steelwork
- Metalwork
- Welding
- Agriculture
- Automotive
- Engineering
- Fabrication

## Certification and Marking

## Limitations of Use

<b>Maintenance</b>	Examine gloves for damages, splits and holes before each use. Always replace damaged gloves. Only properly fitting gloves guarantee protection and grip.
<b>Storage</b>	Store at normal room temperature in a dry, well ventilated area. Avoid direct heat radiation.
<b>Disposal</b>	Used gloves can be contaminated. Dispose with household waste or as instructed by your local authority.
<b>Cleaning</b>	Do not wash. The performance of the product after laundering is unknown. Beat or brush out after each use, depending on level of dirt.
<b>Durability</b>	The period of use depends on the degree or intensity of use in the retrospective application. It is therefore not possible to provide a 'life span' of the gloves.
<b>Note</b>	Due to the nature of this product the user is advised to carry out their own risk assesment before use, depending on application.
