These items comply with the requirements of the PPE Regulation (EU)2016/425 and PPE Regulation (EU)2016/425 as brought into UK Law and amended, in line with the harmonised and designated standard(s) referenced below.

NOTE: - Declarations of Conformity can be found at www.just1source.com

Limitations of use:

Information for users for protective gloves in the certification Category I

MINIMAL RISK ONLY

EN ISO 21420

Scope of Protection

Only suitable for minimal risks

Not suitable for handling hot parts

DO NOT use gloves near any moving machinery parts

These gloves DO NOT offer any protection against chemical microbiological risks

Checks

Examine protective gloves for damages, splits and holes before each use

Replace damaged gloves

Durability

The period of use depends on the degree of wear and intensity of use in the retrospective application areas

It is therefore not possible to provide a life span of the gloves

Note

Due to the nature of this product the user is advised to carry out their own risk assessment, depending on application

Disposal – Dispose of used gloves as instructed by your local authority
