

Pred Midas

Product Description

- Maximum Cut F Nylon, Spandex, HPPE and TekArmor™ Liner with Revolutionary PolyMax™ palm coating
- Highly Dexterous (18 gauge)
- 360° Comprehensive Breathability
- Great grip in light Oily applications
- Whole palm area compatible with Touchscreens
- Suitable for use in wet or dry conditions
- Suitable for use in Food Industries
- Incredibly hard-wearing, high performance abrasion resistance
- Extremely lightweight and comfortable

Specifications

Code: TS3	Size Range: 8 to 11
Liner: TekArmor™, HPPE Nylon, Spandex	Pack Size: 10 pairs Case Size: 120 pairs
Gauge: 18	EN388: 4X42F
Coating: PolyMax™	

Suggested Applications

- Construction
- Automotive
- Engineering
- Glass/Glazing
- Food Industry
- Fabrication
- Touchscreens
- High Pressure Cut Applications

Certification and Marking

Limitations of Use

- Maintenance** Examine gloves for damages, splits and holes before each use. Always replace damaged gloves. Only properly fitting gloves guarantee protection and grip.
- Storage** Store at normal room temperature in a dry, well ventilated area. Avoid direct heat radiation.
- Disposal** Used gloves can be contaminated. Dispose with household waste or as instructed by your local authority.
- Cleaning** Do not wash. The performance of the product after laundering is unknown. Beat or brush out after each use, depending on level of dirt.
- Durability** The period of use depends on the degree or intensity of use in the retrospective application. It is therefore not possible to provide a 'life span' of the gloves.
- Note** Due to the nature of this product the user is advised to carry out their own risk assessment before use, depending on application.
