These items comply with the requirements of the EU Regulation 2016/425 & Regulation 2016/425 on personal protective equipment, as amended to apply in GB, in line with the harmonised and designated standard(s) referenced below.

**NOTE:** Declaration of Conformity can be found at [www.just1source.com](http://www.just1source.com)

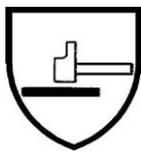

### Limitations of use:

EN 388:2016 + A1:2018, EN 511:2006 and EN ISO 21420:2020 - The overall classification of gloves with two or more layers does not necessarily reflect the performance of the outermost layer. Gloves should not be worn when there is a risk of entanglement by moving parts or machinery. The EN 388 test results shown below are taken from the palm area of the glove.

Gloves should not be worn in temperatures lower than -30°C.

**NOTE:** Due to the nature of this product the user is advised to carry out their own risk assessment depending on application. Guidance on maximum permissible exposure time to cold temperatures is given in Annex B of EN 511:2006. Test results apply to the gloves in the as received condition and may differ if cleaned. These gloves may lose their insulative properties when wet.

Water Penetration	Fail	Pass	-	-	-

Performance levels are measured where the highest number indicates the best protection.

"X" indicates that the product has not been tested against this risk

Product Code: - **CWP**                      Size: - **8 - 11**

Product Name: - **PRED Winter Paws - Orange Latex**

Gloves providing protection against mechanical risks and contact cold.

Maintenance: examine gloves for damages, splits and holes before each use. Always replace damaged gloves.

**WARNING:** This product contains natural rubber latex which could cause anaphylactic responses

To put the glove on, pull over the top of the hand inserting the fingers and thumb into the applicable pouch, use the cuff to pull down securely over the hand to ensure that there is no excessive gap between the inside of the glove fingers and fingertips. To remove the glove, pull away from the top of the glove fingers.

**STORAGE:** Store in dry ambient conditions

**AFTERCARE:** No Cleaning Treatment
