

Pred Mint

Product Description

- 13 gauge seamless, ribbed Azura & Polyester Liner
- Nitrile Foam palm coating offers good resistance to Oils and Grease
- Ribbed Liner offers enhanced grip
- Extremely lightweight, comfortable and dexterous
- Breathable back
- Knitted wrist with coloured cuff size indicator
- Contact Heat Level 1

Specifications

Code:	NFUH-R	Size Range:	8 to 11
Liner:	Azura, Polyester	Pack Size:	10 pairs
Gauge:	13	Carton Size:	120 pairs
Coating:	Nitrile Foam	EN388:	4X44C
		EN407:	X1XXXX

Suggested Applications

- Construction
- Scaffolding
- Fabrication
- Banksmen
- Infrastructure
- Glass/Glazing
- Engineering
- Agriculture

Certification and Marking

Limitations of Use

Maintenance	Examine gloves for damages, splits and holes before each use. Always replace damaged gloves. Only properly fitting gloves guarantee protection and grip.
Storage	Store at normal room temperature in a dry, well ventilated area. Avoid direct heat radiation.
Disposal	Used gloves can be contaminated. Dispose with household waste or as instructed by your local authority.
Cleaning	Do not wash. The performance of the product after laundering is unknown. Beat or brush out after each use, depending on level of dirt.
Durability	The period of use depends on the degree or intensity of use in the retrospective application. It is therefore not possible to provide a 'life span' of the gloves.
Note	Due to the nature of this product the user is advised to carry out their own risk assessment before use, depending on application.
