CE

Code:	SN13DTQ	Carton:	120 Pairs
Liner:	UHMWPE/ Spandex	EN388:2016 + A1:2018	4X42D
Size:	6 to 11	EN407:2020	X1XXXX
Gauge:	13		
Coating:	Sandy Nitrile		

Applications include:

Agriculture, Construction, Cut Risk Areas, Engineering, Glass Handling, Metal Handling

Limitations of Use

Maintenance	Examine gloves for damages, splits and holes before each use. Always replace damaged gloves. Only properly fitting gloves guarantee protection and grip.
Storage	Store at normal room temperature in a dry, well ventilated area. Avoid direct heat radiation.
Disposal	Used gloves can be contaminated. Dispose with household waste or as instructed by your local authority.
Cleaning	Do not wash. The performance of the product after laundering is unknown. Beat or brush out after each use, depending on level of dirt.
Durability	The period of use depends on the degree or intensity of use in the retrospective application. It is therefore not possible to provide a 'life span' of the gloves.
Note	Due to the nature of this product the user is advised to carry out their own risk assessment before use, depending on application.

Hands Protected; Work Perfected
