Automotive, Engineering, General Assembly, Janitorial, Laboratories, Maintenance, Veterinary Food Handling and Processing

## Certification and Marking

## Limitations of Use

<b>Maintenance</b>	Examine gloves for damages, splits, and holes before each use. Always replace damaged gloves.
<b>Storage</b>	Store at normal room temperature in a dry, well ventilated area. Avoid direct heat radiation.
<b>Disposal</b>	Dispose of used gloves as instructed by your local authority.
<b>Cleaning</b>	Do not wash. The performance of the product after laundering is unknown. Beat or brush out after each use, depending on level of dirt.
<b>Durability</b>	The period of use depends on the degree or intensity of use in the retrospective application. It is therefore not possible to provide a 'life span' of the gloves.
<b>Note</b>	Due to the nature of this product the user is advised to carry out their own risk assessment before use, depending on application.
