MINIMAL RISK ONLY

Only suitable for minimal risks

Glove is not washable

Disposal: Dispose of used gloves as instructed by your local authority

Maintenance: Examine gloves for damages, splits and holes before each use. Always replace damaged gloves.

Donning: Insert all five fingers into the cuff of the glove and pull the cuff over your wrist until the glove is properly in place. Make sure the cuff is pulled up fully to avoid any substances or debris entering the glove.

Doffing: Pinch and lift the outside of the glove in the palm area with the opposite gloved hand; peel off while turning inside out. Hold the removed glove in the gloved hand. Slide two fingers of the ungloved hand under the remaining glove at the wrist. Peel the second glove off over the first glove and discard.

Storage: Store in dry ambient conditions, storage will not change the gloves characteristics significantly

Allergic Reactions: These gloves may cause allergic reactions, in the case of an allergic reaction please discontinue use immediately and seek medical advice. A list of substances is available on request.

Obsolescence: The shelf life of this product cannot be determined due to nature of the materials used in the composition of product, as it will be affected by many factors, such as storage conditions, usage etc.

Intended Use: This glove is minimal risk – Great for Messy Play and Gardening
