

PRODUCT INFORMATION SHEET

These items were imported by: -
Just 1 Source & Supply Limited, Barton Hill, Whitwell, York. YO60 7JX
Telephone: 01653 617718 - www.just1source.com

These items comply with the requirements of the EU Regulation 2016/425 & Regulation 2016/425 on personal protective equipment, as amended to apply in GB, in line with the harmonised and designated standard(s) referenced below.

NOTE: - Declarations of Conformity can be found at www.just1source.com

Limitations of use:

Information for users for protective gloves in the certification Category I

MINIMAL RISK ONLY

Scope of Protection

Only suitable for minimal risks

Not suitable for handling hot parts

DO NOT use gloves near any moving machinery parts.

These gloves DO NOT offer any protection against chemical microbiological risks.

Checks

Examine protective gloves for damage, splits and holes before each use

Replace damaged gloves.

Durability

The period of use depends on the degree of wear and intensity of use in the retrospective application areas.

It is therefore not possible to provide a life span of the gloves.

Note

Due to the nature of this product the user is advised to carry out their own risk assessment, depending on application.

Disposal – Dispose of used gloves as instructed by your local authority.
